

**Parts List Overview**

**Tools Required**

**Qty Description**

None

- 4 48' Link chain
- 4 S hooks
- 8 Hairclips
- 2 Deck/Shelves

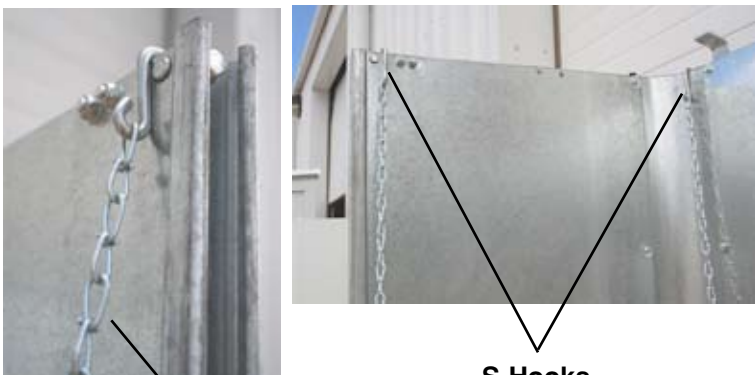

**CAUTION**

Shelf weight limit is 50 lbs. Place heavier objects to the outside of the shelf and the lighter objects to the center.

**Assembly**

**Step 1:**

Attach 4 S-Hooks to each corner of the #1 U-tube (top of the trailer as stored) and align. Once aligned attach the chain to each S-Hooks.

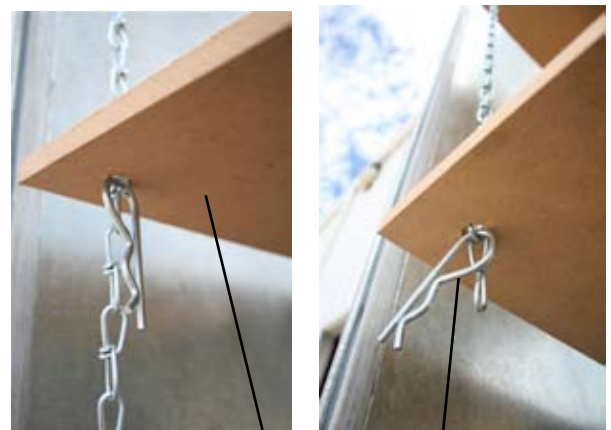

S-Hooks

Link chain

**Step 2:**

Feed the chain through the each corner holes of the top shelf to the desired position. Secure the chain using hairclips.

Repeat the procedure for the bottom shelf.
