

LittleGiant TreeHaus™ Camper Trailer

Model No. LGT 1107-THC-T
Our fully-featured model of the LGT Camper line!

THE Pickup Bed Folding Tent Trailer

This all-in-one sport, utility, and camping trailer provides pickup bed form and function for daily cargo transport needs. Quickly converts into a comfortable and roomy fold out tent trailer for camping, a mobile shelter, and event office.

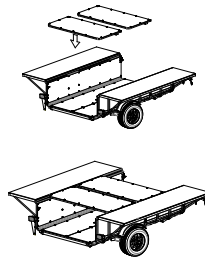

Features Highlights

- Torsion performance suspension and large tires for highway, off-road, and low maintenance.
- Fully-featured tent with 6'10" interior height.
- Trailer Jack and Levelers included for mobility and use away from vehicle hitch.
- 7' pickup bed transports cargo, lawn/garden, ATVs, and much more.
- Lightweight for any tow rated vehicle (485 lbs empty; 1,985 GVWR).
- Removable endgates (front and back) slide along trailer's sidewall track; folding panels and tent installs into existing trailer hardware fittings.
- Panels provide three-sided sleep and desktop surface.
- Comfortably sleeps up to four people with storage and standing room.
