

LITTLEGIANT TRAILER ACCESSORY OPTIONS

LittleBig Tarp: Expandable Tonneau Cover

Truck bed style tonneau cover custom designed for the LittleGiant Trailer and the first cover ever with expandability. Made with heavy-duty truck tarp material with UV inhibitors. High abrasion resistance withstands just about any conditions and will not fade. Side zippers release expansion material for up to 2 feet at apex.
(Part No. ACC 3083)

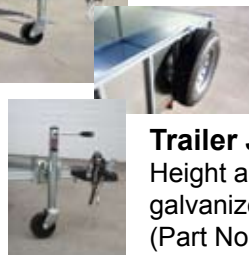

LGT Base Rack (72" & 59" Lengths)

Four feet and two rails mount to C Channel track for flexible, yet fixed positioning. Compatible for use of rooftop mounting equipments such as ladders, bicycle trays, kayak holders, or design your own mounting system. Ideal for utility/trade & recreation purposes. Tray mounts shown with bicycles are not included.
72" Length Part No. ACC 3070 (as shown)
59" Length Part No. ACC 3071

Spare Tire Kit

Kit hardware mounts spare to the LittleGiant Trailer's C Channel track. Position tire to the inside or outside of trailer body along trailer's sidewall. Keeps tire secure, accessible, and out of the way. Spare tire is 175/13 wheel and silver rim, 4 x 4.5 bolt hole pattern. (Part No. ACC 3044)

Trailer Jack, A-Frame Swing Down

Height adjustable swing down jack with large, 6" caster and galvanized steel construction. Weight rated for 1,000 lbs.
(Part No. ACC 3027)

Tie Down Combo Pack: Set of 4

Includes 4 Spring Nuts, 4 D-Rings, and hardware for securing tie downs along C-Channel track. Position at desired locations along track for flexible, yet fixed attachment points (Part No. 3258)

Spring Nuts: Set of 10

Insert device for C-Channel Track integral to the LittleGiant Trailer (located on top of trailer sidewalls). Provides non-fixed bolt-hole locations for a wide range of user applications. (Part No. ACC 3257)

D-Ring Tie Down: Set of 4

Provides attachment points for securing cargo inside the LittleGiant Trailer. Utilize existing bolt hole locations on product surfaces, or drill new 1/4-20 bolt hole locations for varying gear organizational needs. (Part No. ACC 3255)
